

Certificate

The organizing committee of EUREKATHON
2021 certifies that

Filipe Marques

participated in the EUREKATHON 2021, a data-driven competition powered by LTPlabs, Porto Business School and NOS, that addresses societal issues associated with sustainable development goals. In this edition, participants were challenged to develop concrete and creative solutions that contributed to built smart cities, in partnership with Câmara Municipal de Matosinhos and CEiiA.
